RE:

O R D E R

On January 3, 1985, two copies of the annual financial and statistical form (annual report), and two copies of the gross intrastate operating revenues report form (gross operating report), and two copies of the assessable revenues report form are being mailed to all retail electric suppliers subject to the jurisdiction of this Commission for rates. These reports should be completed for the calendar year 1984, and the original should be filed with this Commission on or before March 31, 1985, as required by Public Service Commission Regulation 807 KAR 5:006, Section 3(1), KRS 278.140 and KRS 278.230(3). For good cause shown, the Commission may, upon application in writing, allow a reasonable extension of time for filing of the annual report; however, an extension of time for filing the gross operating

report and the assessable revenues report cannot be granted.

The Commission, being sufficiently advised, finds that:

1. The prompt and timely filing of the annual report, the gross operating report and the assessable revenues report is essential to the operation of the Commission and reasonably required in the exercise of its statutory powers.

IT IS THEREFORE ORDERED that the above-named utility shall file with this Commission its annual report, its gross operating report, and its assessable revenues report for the calendar year 1984 on or before March 31, 1985.

IT IS FURTHER ORDERED that any utility failing to comply with this Order shall be subject to KRS 278.990 (a copy of which is attached hereto), including the imposition of penalties provided therein.

Done at Frankfort, Kentucky, this 3rd day of January, 1985.
